Sunday in-building Church Services:

Vaccinated? Welcome Back!

If you are fully vaccinated, you are now welcome to attend ALL worship services! We are eager to see you again in the sanctuary after this long separation. Welcome back!

What is meant by "Fully Vaccinated?"

"Fully vaccinated" means that at least two weeks have passed since your final vaccine. So, if you got the *Pfizer* or *Moderna* vaccines, you need to wait two weeks after the second dose. If you got the *Johnson & Johnson* vaccine, just wait two weeks after your single dose.

Sunday in-building Church Services: If the Summit County alert level, announced on Thursday afternoons by the State of Ohio, moves back to the orange or yellow zone we will have in-building church services at on Sunday mornings, by reservation.
