

Trouble Live Streaming? It's Not You. It's Me.

By Rev. John King

We're all scrambling to figure out this new reality. We're trying to use technology in new ways. Along the way, we've run into some technology trouble. If you've tried to live stream church you've probably seen these. We're working hard to get it right and make it work for you.

Please keep trying. We'll keep trying too.

We're sorry for the trouble, and appreciate your patience.
